ABOUT CAMP

OVERNIGHT

OVERNIGHT CAMP

Overnight Camp is the perfect way for your child to have the ultimate summer camp experience. Campers live with their peers in fully climate-controlled cabins under the watchful eye of a highly trained counselor. Overnight camp offers a variety of activities including clinic sessions that campers choose for themselves. All overnight campers will be fed great home-style meals in between all of the awesome summer camp action. Overnight campers are the first to register for some of the limited space programs like target sports and high adventure.

We offer several different sessions to fit every camper's needs:

- Traditional Overnight Camp: for ages 7-16
- Tween Camp: for ages 9-12
- Mini Camp: for ages 6-8
- Teen Week: for ages 13-17

DAY CAMP

DAY CAMP Ages 5-12

Day camp is an awesome way to experience the outdoors & make new friends! Campers try the most popular activities, learn new skills and swim every day. Each week has its own theme & games, and campers will enjoy a cooked hot lunch and snack daily.

LEADER IN TRAINING (LIT) Ages 13-15

This day camp leadership program helps LITs build strong friendships, learn about leadership and assist day camp counselors in running activities, all while having fun!

Is my child ready for camp?

We find that school-aged children are ready for camp often before their parents are ready to send them. Camp Carter even offers programs such as family camp and 1-night overnight programs to allow your child to ease into camping.

Pony Express is a 4-week program for children ages 4-8 and their parent. The program is designed to get children acquainted with and accustomed to horses.

ADD-ON CLINICS

Each week there are a number of optional add-on clinics to help further enhance a camp week. They may include swim lessons, ceramics, trail rides, cooking, high adventure & more.

PARENT OVERNIGHT OUTS
